

Cans Fans' Lotto – Structure & Conditions

The Lottery operates on the principal of an initial Jackpot prize of £1,000, where entrants can select, or have supplied to them via lucky dip, 4 numbers from 1 to 25.

The Jackpot is shared by all entrants who correctly match all 4 numbers picked in the draw which is made at 3:45pm every Saturday – details on request.

If no-one correctly matches all 4 numbers, then the Jackpot “rolls-over” and increases by £100 for the next week’s draw, up to a maximum Jackpot prize of £3,000.

Once the Jackpot reaches £3,000 all purchased number combinations will be entered into a raffle ensuring that it will be won.

In addition to the Lottery, prizes of £100, £50, 2 x £25, will be given out each week as a raffle draw from all purchased number combinations.

Winning numbers will be available via the Club’s website and will be announced at half time at home matches.

All winners will be notified.

Winnings will only be paid out when payment has been received in advance for selected lines.

All players must be aged 16 or over.

All proceeds from the Lotto go towards supporting Forres Mechanics and bi-annual contributions to community organisations in the Forres area.

There is no restriction on the number of entries an individual can make.

The Lottery is fully registered with The Moray Council – GA-SSL-0047
